DESTINY DISCOVERY

As WE work through this book, absorbing the wisdom of God's design and that of Bishop Jakes's spirit-led revelation, we encourage you engage some key questions to help you understand and articulate your understanding of destiny and its course in your own life.

If you could only accomplish one thing for the rest of your life, what would it be?

How does this 'one thing' align with your natural gifts?

What do people often seek you out for advice, wisdom, and help?

What experiences have you had that you desire to help others with?

What lights you up? What excites you?

What do you love learning about?

What activities are you always motivated to do?

What can you do to make a positive difference in the lives of others?
